\$429 MSRP

with camera \$539 MSRP

Easy audio and visual communication

The Yealink SIP-T58A is a simple-to-use smart media phone that provides an enriched HD audio and video calling experience for business professionals. Based on Android 5.1.1 operating system, the T58 features a 7-inch adjustable multi-point touch screen, integrated Wi-Fi and Bluetooth 4.0+ EDR, and it is coupled with a built-in web browser, calendar, recorder and more, which also support the installation of third-party applications for business customization. More than that, you can easily turn this phone into a video phone ready with an optional removable two-megapixel HD camera CAM50. The Yealink T58A Smart Media Phone offers an all-in-one communications solution for today's busy executives, managers and teleworkers.
